HOW IT WORKS IN AN EMERGENCY

LOOK Hamilton Police look for 'MedicAlert' on the ID to confirm it's an **authentic MedicAlert ID**.

READ They read the vital information on the back.

CALL They call their communications operator to gain access to the wearer's identity information, caregiver information, wandering history & up-to-date photo.

Enjoy added peace of mind with
MedicAlert Connect Protect service

*Empowering first responders.
Connecting through information.
Protecting the community.*
